

Monday 1st March 2021.

WALT: *measure objects.*

Here is a list of objects we would like you to measure using cubes. You can cut out the cubes we have attached or use cubes you have at home. Record how many bricks you have used next to each object.

You then need to email your teacher with your completed daily task. You can do this by;

Sending a photo or writing down your child's responses to your class email address.

Bowl	
Pen	
Plate	
Cup	
fork
