

Thursday 25th February 2021.

WALT: write about the end of the story.

Here is a picture from the end of the story. Write about what you can see. What could happen next?

You then need to email your teacher with your completed daily task. You can do this by;

Recording your child retelling the story or writing down the story your child tells you and emailing this to your class email address.

Thank you from the Reception Team.

What do you think could happen next?
