

Tuesday 2nd March 2021.

WALT: Measure objects.

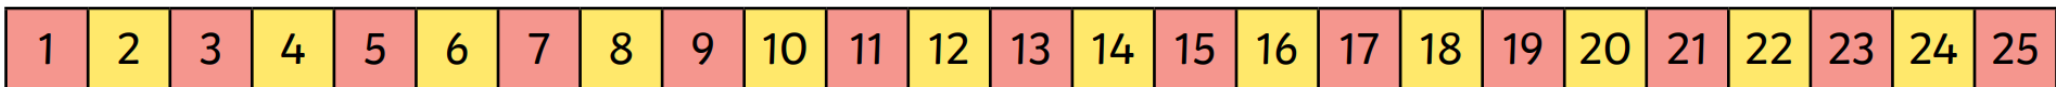

Today we would like you to use the ruler below to measure the same objects you looked at yesterday. Cut out the ruler and fill in the grid to find how long each object is.

You then need to email your teacher with your completed daily task. You can do this by;

Sending a photo or writing down your child's responses to your class email address.

Thank you from the Reception Team.
