

# Last Lesson

Last lesson you chose whether you needed to focus on counting in 2's, 5's and 10's. Can you complete the activity for the number you chose?

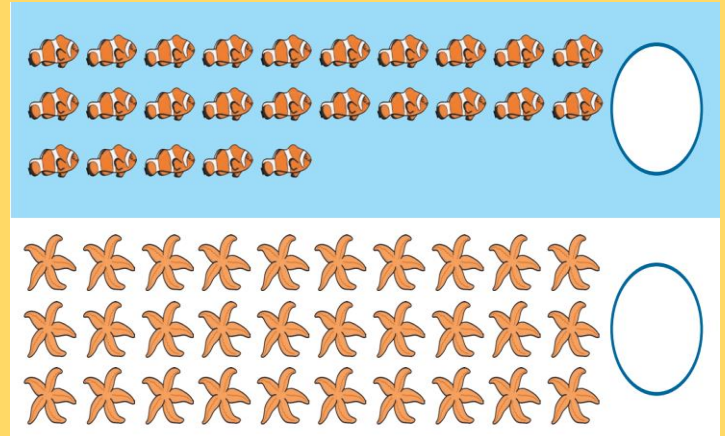

1. 2, 4, \_\_, \_\_, 10, \_\_

2. 15, \_\_, 25, 30, \_\_, \_\_

3. \_\_, 60, \_\_, 80, \_\_, 100

# Last Week

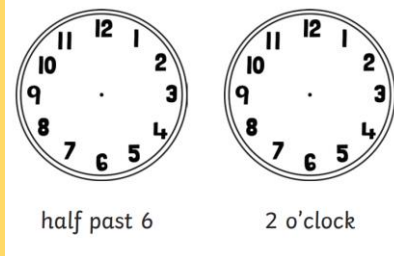

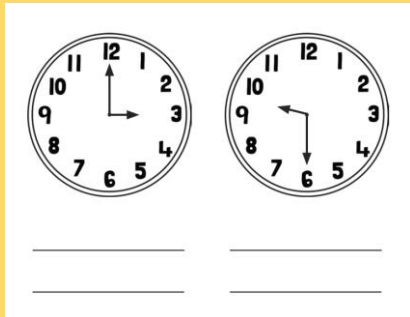

We have focused on counting up to 40. Let's see what you can remember by completing the activity?

Lets warm our brains up!

# Last Month

Last month we looked at telling the time. Can you remember what o'clock and half past is? Have a go at the activity and see what you can remember.

# Last Term

Last Term we looked at adding and subtracting. Have a go at completing the questions using different methods.

1.  $5 + 4 =$

2.  $20 - 12 =$

3.  $13 + 4 =$

4.  $7 - 2 =$
